**November 15, 2021**

Call to Order: 7:06 pm

Treasurer's Report: 1<sup>st</sup> American of **Riverside** accounts have been closed. All accounts transferred to 1<sup>st</sup> National of **Brookfield**. Julie Morley scholarship money is at \$2,345.00 in an account at 1<sup>st</sup> National. This money will be moved to a new/separate account at Riverside Bank with the other memorial funds because they waived their fees. The Morley Memorial Banquet will be soon, Dave Monti will look into the details. Patty Sarkady now has all the treasurer accounts. Rick LaBelle to help set up timelines on account activities with Patty.

Data Analysis to be done over the summer. PayPal is closed and will start over when the RBEF opens a credit card to back up PayPal.

Jacob Palka sent an e-mail to the foundation suggesting Entertainment, Corporate letters and when to start ticket sales (earlier rather than later). He also suggests paying the entertainment.

The RBEF voted and approved a grant to the Robotics Club for \$1552.43 to be taken out of the checking account.

Michelle Koehler requested a grant for 7 skeletons at \$115 each. The board feels this should be bought by the school or the Science Department.
